

DipIFR training programme

Package 2 - Study Plan

ACCA DipIFR self-paced package "All IFRS standards plus practice exams and exam focus section"

The course is designed to develop your knowledge and understanding of International Financial Reporting Standards. You will also learn how to apply them, as well as the concepts and principles which underpin them. The course will prepare you for the international ACCA DipIFR exam.

This document sets out the time schedule for your DipIFR learning journey.
